1 INTRODUCTION

1.1 Rationale

- 1.1.1 At the Campus, we stress the importance of good attendance and the Focus Attendance Policy fosters this commitment.
- 1.1.2 The Campus owes a duty of care to both parents and students to ensure that all students attend regularly; there is also a moral and statutory responsibility to safeguard and promote the welfare of children and young people.
- 1.1.3 Schools are required to keep Admission Registers and Attendance Registers by law. They can be kept in hard copy or electronic form, this Policy and procedure advises how they should be kept.

1.2 Scope

- 1.2.1 This Policy applies to all Staff, Trustees, Students, Parents and Guardians.

1.3 Principles

- 1.3.1 The Campus' Attendance Policy aims to enable the school to provide a consistent practice that encourages and facilitates the regular attendance of all students. Regular attendance at school is key to steady student progress and enjoyment of learning and for this reason the school is dedicated to ensuring its attendance policy is adhered to as much as is possible.
- 1.3.2 The Campus takes a whole-school approach to maintaining excellent attendance and it is the joint responsibility of parents, students and all staff members to ensure that children are attending school as they should be. We endeavour to work with families to make sure that any problems or circumstances which may lead or be leading to poor attendance are given the right attention and appropriate support.
- 1.3.3 Our aim is to have a minimum attendance level of 95%.

2 POLICY

The Education Act 1996 states that:

- 2.1 The parent of every child of compulsory school age shall cause him to receive efficient full-time education suitable —
 - 2.1.1 to his age, ability and aptitude and
 - 2.1.2 to any special educational needs he may have,
 - 2.1.3 either by regular attendance at school or otherwise.
- 2.2 By law a person ceases to be of compulsory school age at the end of the day which is the school leaving date for any calendar year (the last Friday in June) —
 - 2.2.1 if he attains the age of 16 after that day but before the beginning of the school year next following,
 - 2.2.2 if he attains that age on that day, or
 - 2.2.3 (unless paragraph (2.2.1) applies) if that day is the school leaving date next following his attaining that age.
 - 2.2.4 Students enrolled at the Campus are expected to attend school until the completion of year 13 unless there are specific circumstances agreed on an individual basis
- 2.3 The law requires regular attendance by students registered at the Campus. It is the parents' responsibility to ensure attendance.
- 2.4 The School's Duties:

- 2.4.1** The campus has a duty to inform the Local Authority at agreed intervals, of the name and address of any registered student who fails to attend regularly, or has been absent for a continuous period of 10 or more school days, except if:
- such absences are covered by a medical certificate
 - the absences are authorised by the school
- 2.4.2** The Campus is required to ensure that an attendance register is taken twice a day, at the beginning of the morning and afternoon session on which the presence or absence of every student should be recorded.
- All attendance registers must be recorded in SIMS.
 - Lesson Monitor is to be used to record attendance at the start of lesson 5.
- 2.4.3** The Campus must provide the Secretary of State with information of levels of authorised and unauthorised absence when requested or via the DfE Independent School Census.
- 2.4.4** The Campus will monitor and evaluate attendance, analysing trends and / or patterns over time for individuals or groups of students using SIMS, see Appendix 4.
- 2.4.5** The Campus should demonstrate that where a student's absence falls below 90%, they have taken action to address this

3 PROCEDURE

3.1 Campus Sessions

- 3.1.1** The Focus Academic Calendar and Timetables determine the times of the daily sessions and duration of the terms and are approved by the Trustees.

3.2 Attendance Registers

- 3.2.1** The Education (Pupil Registration) (England) Regulations 2006 govern the attendance registers that the campus must keep. They also regulate the power to grant leave of absence.
- 3.2.2** A set of national codes and descriptors to record the reason for a student's absence is as Appendix 1.

3.3 Electronic Register in SIMS

- 3.3.1** Admission and attendance registers are kept in SIMS. The registers must be backed up, in the form of an electronic or printed copy, not less than once a month. Each of these additional copies of the admission and attendance registers must be retained for three years after the end of the school year in question, as will those done by hand. Printed copies on a monthly basis should be signed and dated by the Headteacher as accurate records and retained in a single volume.

3.4 Setting up the academic year in SIMS

- 3.4.1** There are 190 days for maintained schools, 185 for Focus Schools. This will be administered centrally by Focus Learning Trust.

3.5 Keeping Registers

- 3.5.1** Registers must:
- be taken at the beginning of the morning and afternoon sessions.
 - distinguish between authorised and unauthorised absence and daily totals calculated.
- 3.5.2** If a correction is made to an original entry the correction will be clearly identifiable. There are only three occasions when an entry in an *attendance* register can be altered:

- When staff discover that an error has been made, for example a typing error
- When a student's absence was unexplained but has since been explained
- When a student's name has changed

3.5.3 There are two occasions when an entry to an *admission* register can be changed:

- To correct an error
- When the details have changed, eg name, address

3.5.4 Whenever a change is made, both the original entry and the amendment must be clearly distinguishable. The original entry and the correction should be kept so entries appear in chronological order. Any amendments should also indicate the reason for them and who made the amendment.

3.6 Inspection of Attendance Register

3.6.1 It is a statutory requirement for all schools to keep attendance registers and these must be available for inspection during school hours by authorised persons. Those authorised to inspect registers could include Ofsted, SIS, Estyn, HMIE and ETINI Inspectors and authorised local authority officers.

3.7 Preservation of Records

3.7.1 Entries in the register, whether recorded manually or on the computer, must be kept for 3 years from the dates they were made.

3.8 Data Protection

3.8.1 The Campus Trust is registered with the Information Commissioners Office. The campus will retain information in accordance with its Retention of Records Policy.

3.9 School Leaving Age

3.9.1 Students must do one of the following until they are 18:

- Stay in full time education
- Start an apprenticeship or traineeship
- Work or Volunteer (for 20 hours or more a week) whilst in part time education or training

3.10 Leave of Absence for Students

3.10.1 Leave of absence will only be granted due to the exceptional circumstances relating to a parent application for leave. The following should also be taken into consideration:

- The student's attendance history
- The age of the child
- The time of the year
- The nature of the absence
- Employee difficulties in accessing holidays during school holiday times

3.10.2 Leave of absence shall not be granted unless:

- An application has been made in advance to the Headteacher by a parent with whom the student normally resides

3.11 Authorised Absence (See Appendix 1 – National Codes for full list of attendance codes)

3.11.1 Absence may be authorised by the school for the following reasons:

- Illness (Code I)
- Medical and dental appointments (Code M)

- Interviews (Code J)
- Holidays in term time (Agreed Code H, Not agreed Code G)
- Exclusion (Code E)
- Study Leave, Year 11 only (Code S)
- Study Leave, Y12 and Y13 (Code X – not required in school)
- Weddings, Bereavement and Special Occasions (Code C)
- Work experience (Code W)
- Religious observance (Code R)
- Planned whole or partial school closure for national community events or for up to five non-educational days to be used for curriculum planning/training (Code #)

3.12 Authorising Absence

3.12.1 The campus should authorise absence only after careful consideration. If the reason for absence is unknown at the time the register is taken, it should be marked as unauthorised and can be changed later.

3.13 Local Authority

3.13.1 The Campus is required to maintain an attendance register and Trustees will report as soon as possible to the Local Authority in which the student lives:

- Ten days of unauthorised absence (other than for reasons of sickness or leave of absence)
- Failure to attend regularly.

3.14 Police Power of Truants

3.14.1 If a police officer has reasonable cause to believe that a child is of compulsory school age and is absent from school without lawful authority, the officer can take the child back to school or to another place designated by the Local Authority. The child must be in a public place when this power is exercised. Truancy is not a criminal offence, so this is not a power of arrest or detention.

3.15 Parental Responsibility for School Attendance (see 4.0)

3.15.1 It is the duty of the parent of a child of compulsory school age to ensure that the child receives efficient, full time education; they must ensure that their children attends regularly and aim for a minimum attendance rate of 95%.

3.15.2 Parents have no right to authorise the absence of a registered student of compulsory age; this may only be done by the school.

3.15.3 If a student is absent due to illness or a family emergency then the parent must notify the campus by telephone by 10:00 that morning.

3.15.4 Parents must explain all absenteeism with a note beforehand or immediately upon the student's return to the campus. Parents may be prosecuted if they know that their child is not attending school and they fail without reasonable justification to cause their child to attend or fail to secure a child's regular attendance at the school at which they are registered.

3.15.5 If a registered student of compulsory school age fails to attend regularly, the Local Authority can prosecute a parent; issue an Education Supervision Order, parenting order or school attendance order.

3.16 Contacting Parents on the First Day of Absence

3.16.1 If a student is absent without explanation when the register is checked, school staff should, wherever possible, contact the parents that same day, and always in the case of students whose attendance is a cause for concern.

3.16.2 This declared procedure of ‘first day contact’ makes it clear to students and parents that absence is a matter of concern and will be followed up.

3.17 Process for dealing with a child that goes missing in education

3.17.1 The following procedure will be followed to ensure that no child goes missing in education, absconds or repeatedly goes missing:

- First day contact with parents

3.17.2 If, at any stage during the school day a student is unaccounted for, the following procedure will be followed, in order, until the student is located or the police are informed:

- The Headteacher (or the person deputising) is immediately informed and Reception is contacted to check there is not an authorised absence or departure from school.
- The student’s friends, peers and all staff are asked for information which might explain the absence.
- A thorough search of site is conducted.
- A fire drill is conducted.
- The parents of the missing student are contacted.
- The Headteacher (or the person deputising) contacts the police.
- The risk and time a student could be missing is minimised by the twice daily Registration procedure and individual lesson register taken.

3.18 Dealing with Lateness

3.18.1 The school should be alert to emerging patterns of late arrivals. The register can be kept open for a period of 15 minutes after the beginning of registration. This can be extended in certain circumstances such as bad weather or transport difficulties.

3.18.2 If a student misses registration and fails to provide an adequate explanation, this constitutes unauthorised absence.

3.19 Improving Punctuality

3.19.1 The campus will record and follow up lateness in respect of students who arrive late on a regular basis.

3.19.2 The following principles will be applied:

- Students will see that punctuality is taken seriously and followed up on .
- Parents will be informed – they may not be aware that there is an issue.

3.19.3 DfE School Census Information

3.19.4 Schools are required to complete the School Level Annual Census for Independent Schools on the third Thursday of January each year. The DfE provide further guidance with regard to this in the Autumn Term, and the NSO will communicate this to schools.

6.0 GLOSSARY

Attendance – Full time education means attendance for the period described by the school and a student may be marked absent if they arrive after the time when the school closes its register. Regulations distinguish between ‘authorised’ and ‘unauthorised’ absences although this distinction is no longer reported.

Admission Register – is the Roll Register of all students at the school. It includes the date of admission and the name and address of the school that the students last attended. If a student leaves, then details of the school that they go to must be recorded.

Attendance Register – is the daily register taken at the beginning of each day and again in the afternoon. The use of Attendance Codes will be used to record individual student’s attendance at school.

Persistent Absence – attendance which is less than 90%
